

# Jagdschloss Stellungen

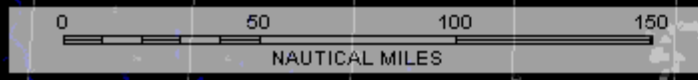

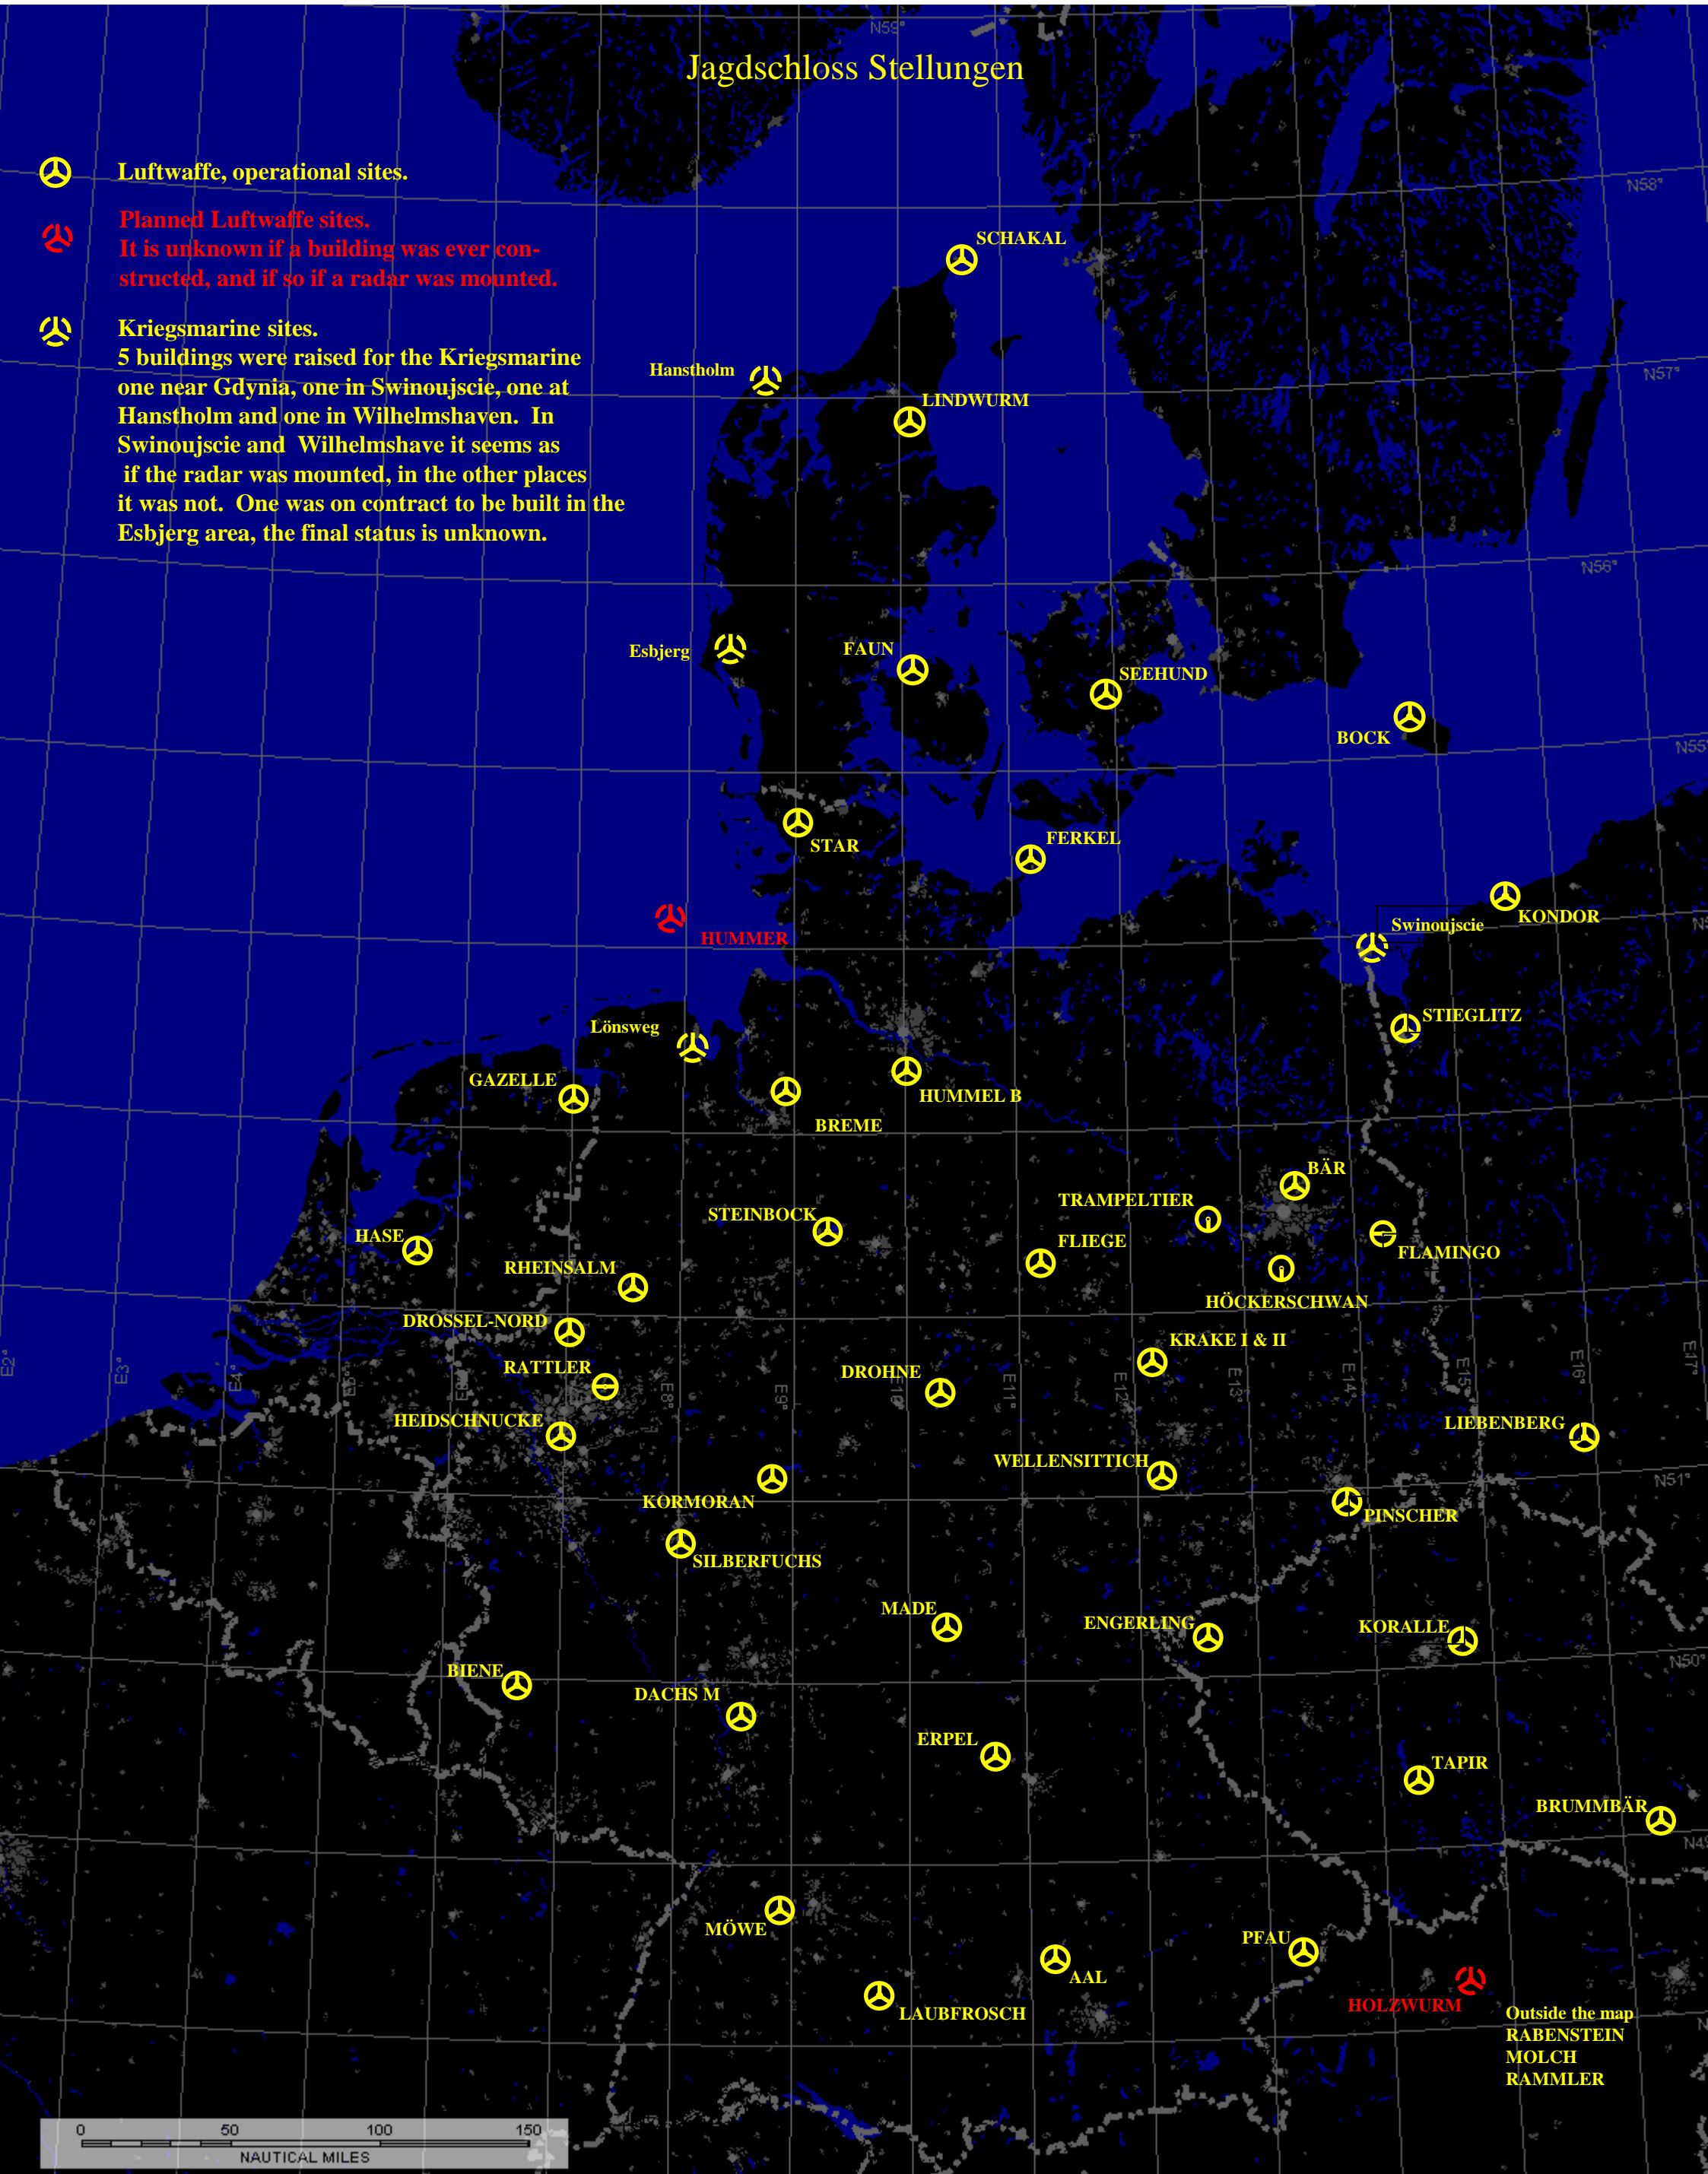

Luftwaffe, operational sites.

Planned Luftwaffe sites.  
It is unknown if a building was ever constructed, and if so if a radar was mounted.

Kriegsmarine sites.  
5 buildings were raised for the Kriegsmarine one near Gdynia, one in Swinoujscie, one at Hanstholm and one in Wilhelmshaven. In Swinoujscie and Wilhelmshave it seems as if the radar was mounted, in the other places it was not. One was on contract to be built in the Esbjerg area, the final status is unknown.
